

Here at Trash Interiors, we aim to make the world a prettier place by providing:

1. Visual Display & Graphics Services
2. Interior Design & Space Planning Services
3. A Bespoke Commission Service

About Us

Welcome to the world of Trash Interiors, where nothing is ever left to waste. Where possible, we do our utmost to supply you with beautiful visual & interior services, as well as alternative & eclectic products, of which we ensure that they are all fairly traded & where possible, use recycled, sustainable & environmentally friendly materials.

Our services aim to take care of all your visual, interior & creative needs, combined with our years of experience in these sectors by supplying:

Visual & Graphic Design Services

(these can include any project from wedding invitations, promotional flyers, leaflets, signage & window display design & installation)

Please visit our [Visuals](#) section for further information.

Interior Design & Space Planning

(this can include colour choice, furnishings, floor layouts, interior painting, full design & installation & feng shui consultancy)

Please visit our [Interiors](#) section for further information.

Bespoke Commissions

(this is a range of our previous one off commissions, including anything from gifts, homewares, clothing & furniture renovation/creation)

Please visit our [Commissions](#) section for further information.

Our other services include:

1. Interior Painting & Decoration
2. House Dressing/Staging
3. Set/Window Design & Dressing
4. Alternative Clothing *NEW*
5. Hand Made Gifts & Homewares

Our cards, gifts and homewares range consists of beautiful candy love heart mirrors, handmade hanging & floor paper lanterns, funky blank cards, hand painted candle holders, fabric coated picture frames, plus many more unusual hand made pieces.

See the full range in our [Gifts & Home](#) section.

Any glass painted and mosaic pieces can be tailor made to individual colour schemes & design ideas (see Commissions page for further info).

N.B. Please note that due to the hand made nature of the products, no two items will be exactly identical, although we do try!!.
