

House Dressing/Staging

House Dressing Services are available for people in the UK or South Africa looking to sell or rent their home quickly & for the best price possible.

It provides you with the chance to present your current living space to the best of it's ability & make the area look visually attractive to the potential renter/buyer.

Dependant on the properties current state, this service involves:

- Rearrangement & maximizing of floor layouts
- Refreshing paint work
- Decluttering rooms of personal belongings (*so it's a space people can easily imagine themselves being in rather than that of someone else's*)
- General tidiness & cleanliness of the property
- Helping to dress windows/hang & display curtains

The house dressing service can be supplied as a whole package, covering all the aspects above, or individual advice, as per your requirements.

To arrange house dressing, interior design & painting services, please email: info@trashinteriors.com, stating your requirements (please be very thorough)

****The above services are charged at £15/R200 per hour****
